60 Day - Foundation Training

The 2-month foundation training fee is \$3,000.00 to be paid in advance. I understand the fee only covers training & food. Any medications your dog may need while at Kingseed Kennels can be administered free of charge but must be provided by the dog's owner in its original package. The owner will provide the mandatory Heartworm and Flea and Tick when leaving the dog for training. Other expenses may include but are not limited to veterinary care, travel to and from the vet.

I understand I must provide a copy of my dogs' vaccination records, to include a Bordetella vaccine when I drop him/her off. I understand I will be billed extra for any vaccinations needed while my dog is being boarded at Kingseed Kennels, as well as transportation fees if a trip to the vet is required.

Foundation training to include basic obedience, collar conditioning, force fetch and steady.

I understand that the results of training depend in large part on the capabilities of my dog and results are not guaranteed.
