

Kingseed Kennels – Puppy Contract

Chris & Kaileigh Carns

2142 30th Street Allegan, MI 49010

Chris 269.569.6601 - Kaileigh 269.680.1558

I have enclosed a deposit of \$200 (Check made out to Chris Carns) for a puppy from Kingseed Kennels. I was informed that my deposit is non-refundable, _____(initial). The balance will be paid when the puppy is picked up. Kingseed Kennels will notify me within one week of litter being whelped and I will be informed of the available pups (color/sex). If I choose not to get an available pup when I am contacted, I may apply my deposit to a future litter. I understand I will be given a pick-up date and time for puppy pick up. If I cannot make my assigned pick-up time or send someone in my place, I will forfeit my place in the picking order. Any pup left after the assigned pick-up date will be subject to a \$100/day boarding fee. If I need my pup shipped, all expenses will be my responsibility. This is including a health certificate, crate, and shipping charges.

Pup will be de-wormed at 2, 4 and 6 weeks of age. Pup will receive first round of vaccines, first monthly heartworm dose and a wellness exam at 6 weeks of age.

Kingseed Health Guarantee:

All Kingseed puppies come with a 26 month hip, elbow and eye guarantee. OFA will be the sole authority for determining hereditary (not caused by injury or being overweight) hip and elbow dysplasia. All dogs will need to be x-rayed and have x-rays sent to the OFA between the ages of 24 and 26 months. Genetic eye issues will be determined by a board certified K9 Ophthalmologist. Eyes must be examined by the age of 24 months.

For this guarantee to be honored if there are health issues, you must abide the following:

- Kingseed must be used as a prefix to your dogs' registered name. Example "Kingseeds Motor City Bad Boy."
- X-ray requirements must be met, and proof of OFA results must be provided.
- Eye C.E.R.F. and proof of results provided.
- The dog must not have been bred.
- The dog must not have been sold. This contract is only for the original pup buyer/owner.

If your dog is going to be replaced due to a defect covered by this guarantee, we do not require that you return the pup. However, you must provide proof of spay/neuter. This will include a microchip #.

If the above requirements are met and a problem does exist, Kingseed Kennels will replace your dog with a pup from a like breeding.

Please print legibly (If I cannot read it, I can't get back to you).
